

Our New Partnership

Sault College is excited to announce our new campus located in Brampton, Ontario. International students now have two amazing options to study with Sault College in Canada. Sault College has partnered with triOS College, a DLI-approved public institution, to help deliver our amazing programs in this new location. Students will enjoy a dynamic academic experience, efficient class schedules and affordable tuition. Students who are registered at Sault College in Brampton will be students of the public college system and shall receive full credit from Sault College for all Sault College courses completed at the Brampton location.

Students who meet program graduation requirements will graduate with a credential from a public institution (Sault College) in the province of Ontario and operating under the Ministry of Colleges and Universities.

Benefits of studying at our Brampton Campus

- Access to public transit and greater options for commuting
- Close to culturally diverse communities
- Diverse employment opportunities within the region
- Access to support services
- One of Canada's fastest growing cities

Interested in studying in Sault Ste. Marie?

Benefits of studying in our main campus:

- Lower cost of living
- Access to our Student job Centre
- Part-time employment on campus
- Small Community setting
- Student Residence, Library & Cafeteria
- International Office Support for Students
- Access to support services

Note: Students can transfer to the Sault Ste. Marie campus before the first day of class depending on eligibility and seat availability. Transfers to Brampton are not permitted.
